

Submitter: Mike Lee

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB3086

I completely support this bill. Managing our critters is not something that can be done from hundreds of miles away and needs to be done at a micro level by the people that are immediately affected and have the ability to make the best decisions for the area. We owe it to our Wildlife to be proactive.
