Committee: Senate Committee On Finance and Revenue

Measure: SB976

My name is Paul Runge. I am an urban planning consultant, but am writing in a personal capacity to support this bill.

I'm deeply privileged to own a home in SE Portland with my partner. Housing subsidy should be directed away from the wealthiest owners and toward those with the greatest need. This idea is so obvious it hardly needs explaining. Let's be smarter with our limited subsidy and put it to better use serving those most in need. Pass this bill. Thank you!
