

Submitter: Kathleen Johnson

On Behalf
Of: Salem

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HJR23

I oppose taking part of the Kicker to fight drought. The state government has to cut spending, not take more of the taxpayer's money. The more they can squeeze out of the working man or woman, the more they spend foolishly, while we are having trouble making ends meet, due to inflation and excess government taxes.
