

Submitter: Rose Kaler
On Behalf Of: myself
Committee: House Committee On Rules
Measure: SB207

I oppose SB 207

"Authorizes Oregon Government Ethics Commission to proceed on own motion to review and investigate, if commission has reason to believe that public body conducted meetings in executive session that were not in compliance with laws authorizing executive sessions"

On the surface this sounds reasonable, until you understand the composition of the "Oregon Government Ethics Commission" being "political appointees," This could be weaponized to influence elections by timing investigation(s) proceeding and or during an election cycle.
