

Submitter: Tyler Wagstaff

On Behalf Of:

Committee: House Committee On Rules

Measure: SCR3

Hi, my name is Tyler Wagstaff, I am a part of WBH Farms and we grow potatoes in eastern Oregon. I am in support of SCR 3 and I want potato to be the state vegetable. In my opinion there is no reason not to have the potato as the state vegetable because of the proven nutrition potatoes give your body and the people that are able to be employed by farmers across the state growing them. Thank you for your time.
