Government

Measure: HB5035

Greetings.

I am writing to request that you approve Oregon Corporation Division's budget request. I recently was required to renew my business registration in Oregon for bank purposes and was delayed by a week owing to corporation division computer servers being unavailable. It is time for Oregon to modernize technologies and operate on par with today's businesses in order to serve the needs of the people of the State of Oregon in a timely manner.

Thank you for your consideration.
