Of:

Committee: Joint Committee On Ways and Means Subcommittee On General
Government

Measure: HB5035

I approve of the appropriation of funds from the General Fund for the Secretary of State to improve their services for the Corporation Division. What I oppose is ANY increase in fees or Taxes on the citizens of this state. The people of this state are suffering to make ends meet. Why should the bureaucrats in the legislature get to increase spending just because they think it is a cause they believe in? You need to learn to work within the budget and that's it. Just like people in the real world. NO INCREASED TAXES OR FEES!

Sincerely,
Steve Christensen
