Committee: House Committee On Rules

Measure: SCR3

I am writing to support SCR 3, which would designate the potato as the official vegetable of Oregon.

My family and I make potatoes a regular part of our meals. Even as a Type 1 diabetic, I grew up eating potatoes as a consistent part of my diet. They are a nutritious, healthy, and affordable dietary staple.

I urge you to designate the potato as the official vegetable of Oregon.

Thank you for your consideration,

Marcy Parker
