

Submitter: Peter OBrien

On Behalf Of:

Committee: House Committee On Rules

Measure: SB207

I oppose SB 207 because it does not advance fairness and equality in the process. It has the grave potential to create a one-sided force of dictatorial power to a single group. This is not what a democratic process looks like in a republic. It undermines it. This is harmful; not helpful. Thank you for the opportunity to offer input.
