

Submitter: Carla Pletka
On Behalf Of:
Committee: House Committee On Rules
Measure: HB3593

To the Rules Committee,

I am asking you to vote no on HB3593.

This bill is a convoluted mess and will only cause great confusion and discourage voters. Such confusion only degrades the integrity of Oregon's voting system even further.

We need confidence that our votes will be counted correctly with just one entry per candidate. Not 3.

Oregon tax payers deserve better. Spend your time and our dime more wisely.

Sincerely,
Carla Pletka
