On Behalf Of: Mr Oregon Opposes SB 98
Committee: Senate Committee On Human Services
Measure: SB98

[SB 98] is yet another illustration of how Oregon has degenerated into a "Welfare State."

What ever happened tp personal responsibility?

People who have children, it is their responsibility to care for them. I certainly do not want any part of bailing these people out with my money.

But, in Oregon you can do all the drugs you want, get some girl pregnant, move here illegally from another country and receive all sorts of "services" paid for by the taxpayers due to a supermajority in the state house.

Eventually, the money will run out an then what? The Legislature will have addicted thousands of people to the welfare state.

Mr. Oregon Concurs and says, "I'm sick of paying for the welfare state."
