

Submitter: Sam Sweeney
On Behalf Of: self employed Sam Sweeney
Committee: Senate Committee On Rules
Measure: SB1087

I urge the committee do drop this bill that would allow farm cafes in a farm zone. Oregon has over sixty conditional uses in Farm zones. One more is just another one to weaken land use laws that protect farmland that produces commodities that are the cornerstone of Oregon's economy.

Sincerely, Sam Sweeney,
Part of a five generational farm family
