Of:

Committee: Joint Committee On Ways and Means Subcommittee On General
Government

Measure: HB5035

2. Audit Efficiency -

Expand the Key Performance Measures (KPMs) to State Agencies. Include in the report the amount of savings provided as a result of the public employee participation. Also report the amount of funds held in accounts from past appropriations not spent.

Voter Registration system replacement project needs to become a priority in order to support Rank choice voting. HB2004
