

My name is Sylvia Ixta I live in Ontario Oregon. I am standing here today in support of Senate Bill 610. I strongly support this bill because as a Community Health worker I see the need for food continuing to grow for our undocumented population, although food banks are open and accessible to them it does not help them much when they are usually working during those hours. It really saddens me to hear these people on a day to day basis, and the worse part is not being able to provide them with the help they need. I strongly support you all to vote on SB 610 if the need for food is this big in just Ontario, can you imagine the rest of the state of Oregon, lets be the voice that makes the difference and please vote. Thank you all for your time.

Sincerely,
Sylvia Ixta
