Committee: Senate Committee On Judiciary  
Measure: HB2915

I am writing to ask you to support HB 2915. Animals sold in pet stores come from backyard breeders or puppy mills (kitten mills) where animals are forced to breed and to live in horrific conditions. These animals are treated as a commodity and nothing more. They are often not provided with adequate care. They are used as money making machines and treated as such. It is high time Oregon join the other states who have made the compassionate choice to end the sale of dogs and cats. Additionally, the rescue groups and shelters are overrun with dogs and cats who are in desperate need of a home...people should be adopting pets NOT buying them.

Please support this important bill HB 2915

Thank you  
Andrea
