

Submitter: Elizabeth Nathan

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB976

As a new realtor, I'm really concerned by growing inequality we are witnessing in real time in terms of access to affordable housing. We talk so much about how to repair the harm that's been done in our state over generations--this is a tangible way to do it. There's no reason why top earners should continue to receive this subsidy. Increased access to housing will serve everyone.
