On Behalf Of: SB 576  
Committee: Joint Committee On Ways and Means  
Measure: SB5506

Thank you for considering SB 576

As a mother of a quadriplegic I have witnessed first hand how hard it has been my son to get a professional job, INTEL. But he needs help from the state to fund his attendant care.

to continue in his career, be a tax payer and a contributor to society he needs this bill to pass.

Thank You
