

Submitter: Doug Kim
On Behalf Of: Oregon Disability Health and Employment Equity
Committee: Joint Committee On Ways and Means
Measure: SB5506

I have many friends in Oregon whose livelihoods are in peril because of their inability to get adequate assistance for their disabilities. This bill would completely transform their lives and create more diverse workforces across the state, which in turn would produce more inclusive products and services for all Oregonians and the people they serve across the globe. Please give this bill your approval and vote yes.
