Committee: Senate Committee On Judiciary

Measure: HB2915

Please support HB 2915 to prohibit selling puppies & kittens in pet stores. There is no need for this & it competes with shelters like the OR Humane Society who carefully chooses who their animals go to & who screens for diseases, spays & neuters, etc. Pet stores sell animals like they are a product--no background info on either side. No need for pet stores to carelessly sell animals.
