Measure: HB2915

Dear Members of the Senate Committee on Judiciary:

I urge you to support HB 2915 which prohibits pet stores from offering to sell or selling dogs and cats.

The reason I ask this is that most if not all puppies and kittens sold from stores are obtained from "puppy mills". These are mass breeders that are not regulated and provide inhumane conditions.

People looking for a new member of their family can adopt from a shelter or obtain directly from a responsible breeder.
