

Submitter: Jane Stackhouse

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: SB543

I support SB 543 enrolled. I would prefer the bill ban all polystyrene use but banning the use of polystyrene containers for food is a good first step. Once the polystyrene containers are in contact with warm food they never come clean enough to recycle. We much encourage recycling of polystyrene.

Thank you in advance for your support of this bill.
