

Submitter: Beth Mihm

Committee: Senate Committee On Finance and Revenue

Measure: SB1018

Be responsible and oppose this bill and ask for a NO Vote. If there are changes to our tax laws it should be across the board. Not directed toward a certain group. This would be even more burdensome on all Oregon citizens on a fixed income including working families and senior citizens. Oregon taxpayers are already struggling with increased costs, income tax fees, and other fees imposed by the current administration's legislations. Respectfully request you to Vote NO.
