Committee: House Committee On Rules  
Measure: HB3197

Greetings Committee Members:

HB3197 deserves your support. Please vote for HB 3197.

Smart planners across Oregon such as DLCD, multiple Counties, the Association of Oregon Planners and Central Oregon Landwatch have submitted supporting detailed testimony.

Having clear and objectionable standards for housing WITHIN UGB's is good for Oregon.

Thanks for your recognizing the need for this bill.

Cheers from rural Deschutes County
