Committee: Senate Committee On Rules
Measure: SB1089

I submitted testimony in support of SB 704 and now I am supporting further progress toward State Wide Health Insurance. In the time between the passage of SB 704 and now, I have been notified of 3 more families in my rural community who are bankrupted secondary to medical costs. These are families with 'medical insurance'! Please pass SB 1089, with sufficient funding for staffing and expert consulting, to get the job done to make Health Care available to ALL Oregonians.
