

Submitter: Suzi Armstrong
On Behalf Of: Kellogg Rural Fire District 2800
Committee: Joint Committee On Ways and Means
Measure: SB5506

As a resident served by the Kellogg Rural Fire District, I am forever grateful for the dedication and service that our volunteer fighters provide to keep us and our property safe. I hope that you will join me in thanking them by supporting the funding request for proceeds to build a new fire house. Currently, our volunteers are making do with former pole barns and storage shed in lieu of a "real" station. It's like the difference of living in a chicken coop and a custom home. I don't mean to be disrespectful, and thought it might be a good visual reference for you. Our volunteers give their time and effort tirelessly and it would be nice if they had an up-to-date station that in turn shows how much they are appreciated. Please support our funding request.
