Measure: HB3501

Hello,

I live in Rep Khanh Pham's district and I can say wholeheartedly that her sponsorship of this bill is not supported by the people in her district. Residents and businesses in Lents and Montavilla have been severely impacted by crime and drug use associated with homeless campers. Rep Khanh Pham supports criminal drug addicts instead of law-abiding taxpayers.

I know this legislation has zero chance of passing but I want it on the record I oppose it. We look forward to electing someone who will represent us to replace Khanh Pham.
