Measure: HB3501

Dear Oregon Legislators,

I am a small business owner living in Portland, Oregon, and want to convey my opposition to this bill. Our state has a homelessness crisis and is allowing fentanyl to take over our streets. Criminals have more rights than residents.

It's past time that we put a halt to the decline of our beautiful state. Liberals have ruined our livability by enabling drug use and crimes on the streets. This is what happens when Marxists takeover our government.
