

Submitter: Matt Sorrell

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please please, I beg of you not to dump more fuel on this fire. Enabling people to continue to live on the street in open-air drug scenes will only further embolden criminals, support dangerous addictions and draw more addicts and dealers to the area. Please. We need to help people rise of these sore ruins, not embolden them to wallow in addiction and despair.
