

Submitter: Margaret Pieczkowski  
On Behalf Of: Myself  
Committee: House Committee On Housing and Homelessness  
Measure: HB3501

I strongly oppose this measure. My anecdotal experience with the unhoused community in northeast Portland is overwhelming negative. They do not want support or assistance in transitioning to stable housing. They view any request to change their behavior as an attack on their lifestyle. This bill will not have positive results for the residents of Portland.
