Measure: HB3501

Under no circumstances should we give more rights to homeless who refuse help. Allowing camping anywhere and everywhere disproportionately affects low income and more diverse neighborhoods. I live in Parkrose, my personal car was repeated stolen by homeless, the police made an arrest in my stolen car, no charges were filed because he's homeless. TAX PAYETS HAVE NO RIGHTS! Why do I pay taxes? Why do we keep moving RV's around when we know their unregistered, uninsured, illegal vehicles surrounding my family. Tent camping should be outlawed. The rights of citizens, law abiding citizens have been trampled. My neighbors and I are considering moving because elected officials keep encouraging theft, crime, drug use, and overall an unlivable city. Vote NO
