

Submitter: Wesley Everson

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I have watched the city I love decay due to the enabling of tent camping and the homeless. Clearly whoever is focused on passing this has no idea what it's like to live in the city and experience the crime and lack of public safety that comes with allowing camping. This is not compassionate, it's cowardly. You are not helping this people by allowing them to camp.
