

Submitter: Henry Gilbert

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I get harassed by meth addicts every day on my way to school. I had a homeless dog off-leash come of nowhere and attack my dog the other day. And the homeless owner came out of their tent and was mad at ME!!! In my experience, homeless people in downtown Portland are the ones doing the harassment, not the other way around. This might be the shittiest bill I have ever seen.
