Measure: HB3501

Absolutely Not!!! What is the point OF ALL THE MILLIONS of dollars just penned for homeless housing, shelters, etc? No One individual "owns" public property - that's sort of the point behind the idea of "Public". You are Encouraging people to camp right on the sidewalks, so everyone gets to .....what - step out into traffic now, to avoid disturbing the "campsite" and/or avoid walking through the urine or feces on our "public" sidewalks, parks, running trails, parking lots? ENOUGH!!!!!!! Fix the problem - stop enabling and encouraging it.
