

Submitter: Jessica Luscombe

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am all for helping the homeless, but I also want to try to ensure that people in surrounding neighborhoods are safe and live in a clean area. We need to be better as humans and help each other do the same. Maybe putting trash cans around public camping areas or just on the streets in general would help the homeless with picking up their trash. Let's do what we can to help each other be better humans!
