Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill is incredulous. It allows people to put up residence/tent/tarps/garbage wherever they please in public places. Have you seen the sides of the freeway? The sidewalks downtown? It is shameful. I used to visit downtown Portland often...now I avoid it. I used to brag about it's cleanliness to visitors...not anymore. It's an embarrassment.

It is time to remedy our homeless problem. This bill is not the way.
