On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

We do not want this HB 3501 passed - absolutely not ! We need to clean up the trash and remove people from their camps and the street. My wife and I now cannot walk where we used to because of safety concerns. Get some common sense and stop this bill. The sponsors of this bill care not about safety and security of the average citizen. NO to this bill.
