

Submitter: S R

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is ludicrous. I strongly oppose this message 1000%. Passing this will make a terrible issue so much worse. Drugs, crime, assault and theft are all common place among and near makeshift camps. And this bill would increase these camps my orders of magnitude. And this will harm the poor disproportionately as the rich will find ways to insulate themselves.
