Committee: House Committee On Housing and Homelessness

Measure: HB3501

HB3501 is an abomination of a bill designed to further destroy Oregon by exacerbating the homeless crisis and increasing crime. It will tie the hands of law enforcement and local governments by restricting their ability to deal with the homeless. Granting the homeless the right to sue for \$1,000 as the result of sweeps will further clog up our legal system and waste taxpayer dollars. The Legislature seems hell bent on protecting the homeless at the expense of law abiding Oregonians without any respect for our rights. This bill should never see the light of day.
