Measure: HB3501

There is no way in hell my family and I stay in this state if this passes. Ridiculous. There needs to be a bill that makes all the camping extremely illegal. The biggest and most obvious problem across this city and state is not only homelessness but rampant criminality of these people in those tent villages and rvs. Just drive up and down Powell and tell me we don't have a huge problem. Focus on getting those who are criminals in jail immediately. Insane.
