

Submitter: Ebony Friese

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I oppose this measure, I have seen the downfall and crumble of Portland with the homeless taking over communities. Turning homeowners and everyday citizens into victims not being able to live on their own properties. I can't believe you want to give houseless people even more rights to take over our streets and communities. This is why I'm moving out of state soon!
