

Submitter: P T

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill does nothing to address providing homeless folks with actual housing or other resources. It merely decriminalizes laws which are already not enforced, i.e. with regards to public camping. Legislation should address the actual issues causing homelessness rather than focusing on "decriminalization" as this "solution" does not help people - it keeps them homeless.
