On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I have been reporting to 311 and to other organizations that are supporting the houseless and nothing has helped remove the people in a large structure from occupying the road way on se 89th ave in front of my home. This bill would make it impossible for homeowners to have a way to be safe from the rampant crime and issues with homelessness that we have now.
