

Submitter: Mike Buck

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

All this does is creating more encampments and more trash, more needles, more danger more beggars more crime.

Why would we incentivize this? It will tie our legal system up, with public defenders working for the homeless, when we should be focusing on cleaning our state up.

I'm embarrassed to be an Oregonian.

You are stretching the taxpayers thin.
