

Submitter: Dean Smith

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I very strongly oppose this measure. Drive around the Portland metro area and surrounding areas and show us where it's getting better. It is not, it is simply moving around. An area gets cleaned and perhaps a week later it's getting moved into again. I see it everyday.

I believe this measure will only make the problem that much worse, and I strongly oppose it.

Dean Smith
