On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Is this a joke? Do not pass this measure. I am a socially conscious and caring person, but I have absolutely had it with the inability of government to deal with the homeless issue. Get these people off our streets, sidewalks, parks, and other public spaces. From now on and until this issue has markedly improved, I will be a one issue voter. I have never voted for a Republican candidate in local elections, but I will be voting for anyone who can convince me they will forcefully and forcibly end the insanity of allowing our public spaces to be taken over by homeless drug addicts in tents surrounded by trash and filth. I am shocked that the sponsors of this bill would put forth such a proposal, and urge the legislature to vote against it.
