

Submitter: Kevin Hayes

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Why in the world would we be entertaining this. We've been down this road and tried to make it easier to camp under Sam Adams and it failed. I have not talked to one Portland resident who would think this is a good idea. I want to know where the people who are proposing this live and if they would want people camping in front of their houses.
