Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am totally opposed to this bill.

If a person camps in front of my house or business, this bill says that I can be fined \$1000 for asking them to leave. This is utter insanity.

What if the person is using drugs in their tent in front of my house?

What if the person is defecating on the sidewalk in front of my house?

What if the person is acting irrationally and is scaring customers away from my business?

What if the person in the tent creates a huge pile of garbage next to their tent?

What if the person in the tent hordes a stash of stole bike parts?

Are you telling me that the person in the tent could be doing all of those things and I still can't ask them to leave the sidewalk in front of my house or business?

Do not pass this bill.
