Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please stop pitting citizens against each other. This bill would only deepen grievances and not alleviate the suffering of anyone, housed or unhoused. With the current state of things, public areas are not shared, they are owned by whatever group of homeless folks claim them. I can not safely walk, bike, or take public transit. This bill only deepens the issue. Address homeless, don't endorse it.
