On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Stop trying to solve a national issue. This will continue to attract the nation's addicts to Oregon, while tax paying citizens flee the state. You work for us, the tax paying citizens of Oregon. Not the drug addicts that move here from out of state.

I'm a hardcore liberal, but Oregon has left me with no choice but to vote red until the liberals start working for me again.
