

Submitter: Jeremy Wilson

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

On second thought, let's change the wording on the bill so that public camping is only permissible if it's on land owned by lawmakers such as your backyards and front lawns. I would be ok with that, but not public parks and sidewalks. If you want to enable these people, let's see how willing you really are to support this sort of lifestyle when you have to deal with it 24/7
